REQUEST TO CARY OUT ROUTINE MAINTENANCE

This is to notify you of the urgent need to carry out regular maintenance and servicing of electrical appliances including sockets, switches, lighting fittings and panels, bus bar, gear switches and the substation transformer in ENSERV SDP. This maintenance will hold on quarterly bases.

The maintenance will enable us detect ageing parts, partial contacts and overheating parts which can cause burning, voltage drop or equipment malfunction.

We kindly seek your approval in this regard to enhance smooth operation in the centre.

Our proposed schedule is as follows:

S/N	MAINTENANCE DATE	WORK DURATION	AREA OF MAINTENANCE	REMARK
1	30 th April 2026	6 HOURS	SUB-STATION MAINTENANCE	OPEN
2	31 st JULY 2026	24HOURS	ELECTRICAL PANEL	OPEN
3	25 th SEPTEMBER 2026	6 HOURS	SUB-STATION MAINTENANCE	OPEN
4	24 th DECEMBER 2026	24 HOURS	ELECTRICAL PANEL	OPEN

Thank you

Yours Faithfully.
